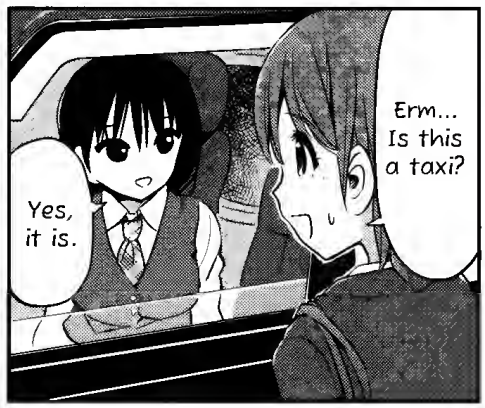
I had to work overtime today, and I missed the last train.

Reads: Yoriko Taxi

I am doing this as a hobby, so I don't charge any money.
I thought this was a high-class taxi, but it turned out to be a hobby taxi...



Erm... Is this a taxi?
Yes, it is.

It looks too expensive for me though.
backing away
Ah, don't worry.

Well, I can't miss such a chance, so I'll take a ride.
Oh, wait.

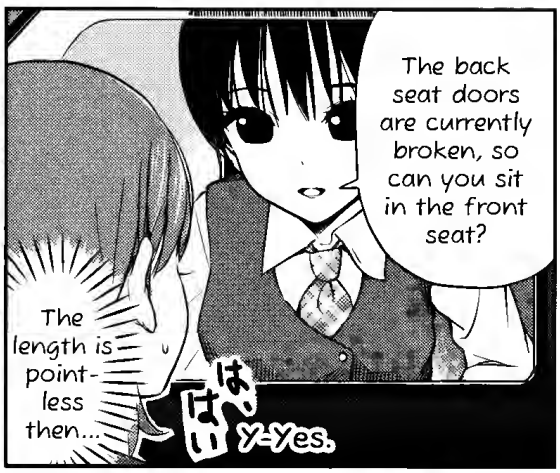
So where do you wish to go?
It's in a neighboring prefecture. Is that okay?



The back seat doors are currently broken, so can you sit in the front seat?
The length is pointless then...
はい Y-Yes.

Best get a 30-minute nap beforehand.
Can't you do that when you actually become sleepy?

A long distance! Of course.
This is my first time, so I'm a bit nervous though.

I can't do that!
It will take some time.
What now? I'm cold after waking up, so I have a small need.

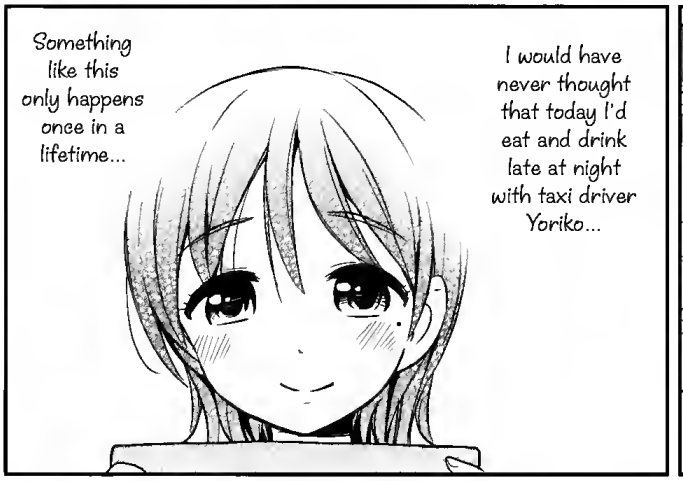
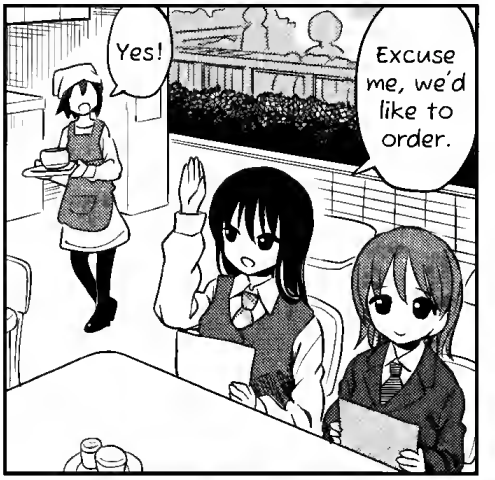
It'll take a while to arrive, so how about a little break?
Oh... Yes!
Because I want to stay awake...
『起きていたいから…』



Something like this only happens once in a lifetime...
I would have never thought that today I'd eat and drink late at night with taxi driver Yoriko...



Excuse me, we'd like to order.
Yes!

You will have to pee again, you know!?
